Mr. Lerman:

Trial #3 remains as set on April 3, 2025 at 9 a.m. in Dept. 65. Court rules require us to meet and confer in person (Zoom or Facetime is acceptable) before trial. Please respond which method works best for you and when, even during weekends.

I know this case has been difficult. I know you may not think so, but I actually want to help you and Celine end this drama with alacrity and maturity and end the **bleed of attorney fees and sanctions.**

By now you received Celine's Trial Brief, due yesterday March 26, 2025. I have not received anything from you. Are you planning to participate?

Make sure you use my correct email address: LAPetersn@gmail.com.

I look forward to hearing from you.
